MS. GINA BUXTON

Gina Buxton (b1968) earned her undergraduate degree from Southwest Missouri State University in 1991. She went on to earn her Master's of Music Education from Northwestern University in 2000. She had the privilege of learning from Master Teachers such as Bob Scott, Belva Prather, Jerry Hoover, and Dr. Mallory Thompson. These amazing teachers helped to mold her teaching style. Gina taught in several different schools such as Dixon, Clearwater (Piedmont, MO), Fordland, St. Vincent Catholic, West Plains, before spending most of her career at Dallas Co R-1, in Buffalo.

While at Buffalo High School, Ms. Buxton's band received several accolades including many Exceptional

"I" Ratings at Music Festivals, top ratings for the marching band (1st time ever for Buffalo High School), and starting the Jazz Band. Gina will tell you that trophies are nice, however the real award was the family that the band built each and every year at Buffalo.

Gina has one son, Sean (23), who not only graduated from Buffalo High School, but was also a trumpet player in her band.

Gina retired from Buffalo high school in 2023. While in retirement she has been able to join the MSU Community Band, instruct the Parkview HS Woodwind Sections, and recently became the interim Director of Bands at New Covenant Academy in Springfield.

MR. AARON SCRIVEN

Mr. Aaron Scriven is currently in his 5th year as Director of Bands at Kickapoo High School, and 17th year of teaching in Missouri. He received his Master's Degree in Instrumental Music Conducting from Missouri State University (2013), and his Bachelor's Degree from Missouri Southern State University (2006).

At Kickapoo, Aaron leads the Wind Ensemble, Concert Band, Jazz Band, Golden Arrow Marching Band, assists with the Intermediate Band, and teaches AP Music Theory. His vision for the program and students is to encourage them to be the best people they can, and to help them find their place in society through music.

Aaron is a member of Phi Beta Mu, NAFME, MMEA, MBA, MOAJE, and NEA.
