

Director's Choice Conference Band 2021-2022

Directors,

It is that time again. Please nominate your best students that play well, are leaders, and contribute to the quality of the band. (I sent a form in an earlier e-mail) The first and second chair District band members are automatically in the Conference Band, so if they choose NOT to be, please let me know, so I can fill that chair.

Please get your nominations in by November 18th. That way I can have the band in place before Thanksgiving Break.

Also, rank your students 1-10. 1 being your first choice, 2nd- second choice, and so on.

I have sent a form for you to fill out, you may nominate up to 10 students. Not all 10 will be selected, but that gives us a good amount to fill the band up. If I have sections that don't get filled up, I will send out an e-mail and it will be given to whomever e-mails me about it first.

I will scan the music to you for each section in December. Please make sure your students get it BEFORE we have rehearsal, so they will know the music.

The director of the Conference Band is Pete Havely, and he always makes the day fun for the kids.

If I have forgotten anything, please let me know via e-mail, jneher@sarcoxiemo.org

Janis Neher

Conference Band Coordinator
